

The JA-44x Vintage Ribbon Passive Microphone

With a circuit drawing inspiration from famed RCA and AEA ribbons, the JA-44x is a passive figure 8 ribbon microphone boasting an ultra-thin fluted pure aluminium element. Tuned to a specially designed Cinemag transformer, the JA-44x delivers linear harmonic response and balanced tones.

Designed with a very low noise FET circuit and a 2 micron thick element, our JA-44x microphones have been crafted using only the highest quality components then meticulously tuned and tested by hand.

Finally, the acclaimed and very much desired sound only a ribbon can provide is available to all at a price suitable for mere mortals.

- 2 μ m Low Tension Fluted Aluminium Ribbon Element
- Figure-Eight Pattern
- Unique Dual Sided Wide Grill
- <350 ohm Impedance
- 30hz to 19khz Frequency Response
- -18db(A weight) Noise
- .5% Distortion @ 142db
- Custom Cinemag Transformer Output
- Robust Shock-Mount
- Protective Wooden Box
- Aluminium Road Case
